

DR. TAYLOR'S BALM OF LIVERWORT.
For consumption and liver complaint, coughs, colds, asthma, difficulty of breathing, pains in the side or breast, spitting of blood, catarrhs, inflammation of the heart, oppression and soreness of the chest, whooping cough, pleurisy, hectic fever, night sweats, difficult or profuse expectoration, and all other affections of the chest, lungs, and liver.

This Medicine is for sale by the proprietor, at 375 Bowers, between Fourth and Fifth streets, New York. R. H. Colman, 133 Market street, Baltimore; and by LEWIS JOHNSON, at his Shop, Tobacco, and Fancy Store, four doors east of the Washington City Post Office; also numerous agents throughout the United States.

As an example of the multitude of certificates we have received in approbation of this medicine, the following are submitted:

Dear Sir: I feel unequivocal pleasure in the opportunity now offered me of expressing my approbation of your Balm of Liverwort, and the success I have ever obtained from its administration. I have used your medicine in upwards of sixty cases, comprising all stages of disease, from incipient cold and cough to advanced phthisis, and have invariably found immediate relief. I recommend it cheerfully in all cases where the chest and lungs are affected, particularly in consumption, with serous discharges. For chronic cough, pain in the chest, spitting of blood, &c. I have no hesitation in pronouncing your vegetable medicine unrivalled.

With respect, your obedient servant,
GEO. CAMPBELL, M. D.
And Member of the College of Surgeons, Edinburgh.
New York, January 2, 1839.

WONDERFUL CURE OF CONSUMPTION.
Although Dr. Taylor's Balm of Liverwort has found hundreds of admirers, and has produced so large a number of testimonials in its favor, I cannot withhold my small use of praise. Being predisposed to consumption, both from peculiar formation and hereditary transmission, I tried every means to check this disease, and strengthen naturally a weak constitution. I spent two years at Pisa, one in Rome, two in Florence, and another in the south of France, seeking, meantime, the advice of the best physicians. Two years since I returned to this country in about the same situation as when I left it. I had seen in the reading rooms of Europe much said in favor of Dr. Taylor's Balm of Liverwort, and, as soon as I arrived in this city, I used it, and in three months I was so well I could safely pass the winter here, and did so. I have used an occasional bottle now and then during the time, but am now in as good health as possible. My cough has wholly ceased, and my lungs have every feeling of health.

JAMES HILL.
Western Hotel, Courtland street, N. Y.

LIVER COMPLAINT AND COUGH.—Having taken a violent cold, which settled on my lungs and liver, producing a severe cough and pain in the side and shoulder, which was so severe at times I could scarcely turn over in bed. I was gradually wasting away, and weary even of my life. My cough was very distressing, and, being accompanied with nausea, loss of appetite, debility, and other distressing symptoms, my suffering was extreme. Finding no benefit from any medicine, nor from my physicians, I got a bottle of Dr. Taylor's Balm of Liverwort, which soon made me well and able to attend to my business.

GEORGE YOUNG,
Druggist, 376 Fulton street, Brooklyn.

COUGH, PAIN IN THE SIDE AND CHEST CURED.—Having for a long time been distressed with a severe pain in the side and chest, accompanied with a dry cough, I was induced, upon the urgent solicitation of a friend, to try Dr. Taylor's Balm of Liverwort, and I must say this medicine has answered its purpose admirably. My distress was produced by a severe hurt, and was so great that it was with difficulty I could swallow my food. Indeed, I was so distressed that I had to have my food administered by the use of a syringe. I had not been cured by this judicious medicine. To all who seek to prolong their lives, I would advise the use of Dr. Taylor's Balm of Liverwort.

JAMES COWAN, 426 Bowers.

LIVER COMPLAINT, COUGH, AND SHORTNESS OF BREATH.—Having been severely ill for a long time with the liver complaint, and also a severe cough and great shortness of breath, a being cured from these distressing evils by the use of that truly magic medicine, Dr. Taylor's Balm of Liverwort, I feel it incumbent on me as a Christian and philanthropist, to publish the facts. The awful distress of shortness of breath, together with a severe cough and the liver complaint, was sufficient to make life hateful, but, thank God, I am now well. To Dr. Taylor I owe much, and it is by his means I can induce the sick to use his medicine. I shall feel that I am doing a duty to him and to them. His medicine for diseases of the lungs and liver is worthy of all praise. It has saved my life, and to other of my friends, and I believe will cure all who take it. Let all persons try it, and health will bless them.

MR. HARVEY, 17 Norfolk street.

FOR CONSUMPTION, COUGHS, COLDS, &c.—Mr. J. B. Sutton, 28 Adams street, Brooklyn, has been for many years subject to diseased lungs, especially a bad cough, pain in the breast, shortness of breath, &c. As his business exposed him very much, he was continually taking fresh colds, and at length was unable to attend to his business. Finding all the remedies he used did him no good, he resolved to try Dr. Taylor's Balm of Liverwort, and no sooner did he commence this medicine than he grew better, and he was finally restored to a degree of health he had not enjoyed for years! He says he has recommended this medicine to all his friends troubled with coughs or consumption, and they also have been cured by its wonderful virtue! We will publish their testimony in a few days. We have received 200 certificates from Brooklyn, showing the great merit of this medicine, all of which shall be published.

CONSUMPTION AND LIVER COMPLAINT.—Suffering as I have for three years with these diseases, I feel from my heart for all persons equally unfortunate, and, therefore, I beg of them, if they love life and health—if they love their families and friends, not to lay and die under the hands of mercury doctors or their useless trash, but try Dr. Taylor's Balm of Liverwort. This medicine cured me when I was so ill I could not turn over in bed without assistance, and the mercury doctors said I could not live a week, yet this vegetable medicine cured me in six weeks. I had a hacking cough, pain in the sides, raising of matter, night sweats, and was wasted to the bone; also, inward fever.

J. B. MILLS, Milkman, Newtown, L. I.

CONSUMPTION, AND LIVER COMPLAINT.—For a long time I suffered with these diseases, and was more alarmed, as I had lost two brothers and two sisters with the consumption. I had the best medical advice in vain; every remedy was tried without effect, and I was almost in despair. I was wasting away, very nervous, had a bad cough, loss of strength, and many other dangerous symptoms. At length I tried Dr. Taylor's Balm of Liverwort, and I must say this medicine cured me like a charm. Its great restorative powers should be made known.

W. H. KOLDRIDGE, 161 Green street.

RAISING OF BLOOD.—This disease is easily cured by the proper medicine. Mr. Newberry, 306 Bowers, used to bleed in large quantities, both by day and night; besides this, he had a severe cough and pain in his breast; yet, after using every other medicine, he was cured by Dr. Taylor's Balm of Liverwort. This man is a carman; and let all others who cannot afford to be idle follow his example, if they are sick, and use this medicine. It will restore diseased lungs and liver in a very short time. Remember the genuine medicine is sold at 375 Bowers.

TRY DR. MASON'S HOP PILLS.—More than 10,000 boxes of these pills have been sold in Philadelphia since their first introduction there in June last. They are entirely vegetable, not a particle of Calomel, or any mineral poison. They are very mild in their operation, and their beneficial results in breaking up colds, relieving coughs, head aches, and all other complaints showing an oppressed state of the system are wonderful. Perfectly safe in all circumstances, and no attention to diet. We could give the names of many honorable and distinguished men in Washington in their favor, but as the Ladies are the best judges of these things, please ask Mrs. Hepburn, Steam Boat Landing, Mrs. Greer, 10th Street, Mrs. E. F. Brown, C Street. Try a box according to the directions, and you will ask for no other recommendations.

CAUTION.

We are called on to caution the public, the Druggists in particular, against purchasing from any traveler under whatever pretences they may be offered, any of

DR. EVANS' INVALUABLE MEDICINES, as their unprecedented success in the cure of Consumption, Dyspepsia, Liver Complaint, Indigestion, Costive-ness, Loss of Appetite, Pains in the Head, Pain in the Head, Breast, Back and Limbs, Dizziness, Restlessness, and all diseases originating in the Stomach, Heart, Lungs, Liver, and the associated organs, &c., has caused a reckless impostor, who it is ascertained, has been travelling through Pennsylvania, Maryland, Virginia, &c., to counterfeit and vend a deleterious imitation of EVANS' CAMOMILE AND APERIENT PILLS; and another impostor has introduced into Pennsylvania, &c., a spurious article, purporting to be PARIS' SOOTHING SYRUP, for children when cutting their teeth—both of which are deleterious counterfeits. Therefore, in order to protect the public against the impositions of such impostors, and to secure them the benefit which his Genuine Medicines never fail in bestowing, he has caused the label of EVANS' CAMOMILE & PILLS, to be entered according to an act of Congress.

A notice of which entry is printed on the labels on every bottle of the Genuine Pills, and he has caused the name of Dr. J. L. Paris to be stricken out of the label of his celebrated Soothing Syrup, for children when cutting their teeth, so that the label of the genuine syrup reads "DR. WM. EVANS' SOOTHING SYRUP," an infallible remedy for the pain and sickness to which children are subject, when cutting their teeth, and approved by thousands of mothers and nurses, who have by its early application, not only prevented their children from suffering excruciating pain but in many instances rescued them from death.

Be particular in examining the labels, and also in knowing that Dr. Evans never vends any of his medicines save through the medium of his resident agents, as advertised throughout the Union, or at the Western Office, Louisville, Ky., and his principal office, 100 Chatham Street, New York, whose whole sale orders will be promptly executed on the most liberal terms.

The public may rest assured that in every instance that comes within the knowledge of Dr. Evans, or any of his agents, where the Counterfeit Medicines are purchased or vended, he will give them the earliest public notice of the imposition. Already have proceedings both civil and criminal been instituted against several Druggists who have been detected, and their names will be laid before the public at an early date. THE BEST PROTECTION for the public is to purchase, to caution purchasers to obtain his Medicines from the

DR. GOODE'S CELEBRATED FEMALE PILLS.

These Pills are so strongly recommended to the notice of the Ladies as a safe and effectual remedy in removing those complaints peculiar to their sex, from indigestion, exercise, or general debility of the system, obstructions, suppressions, and irregularity of the menses; at the same time, strengthening, cleansing, and giving tone to the stomach and bowels, and producing a new and healthy action throughout the system generally. They create appetite, correct indigestion, remove giddiness and nervous headache, and are eminently useful in those complaints which distress females so much at the "TURN OF LIFE." They obviate costiveness, and counteract all hysterical nervous affections, and otherwise afford soothing and permanent relief in those affections, and in the most obstinate cases of chlorosis, or green sickness, they invariably restore the pallid and delicate female to health and vigor.

These pills have gained the sanction and approbation of the most eminent physicians in the United States, and many mothers can likewise testify to their extraordinary efficacy. To married females, whose expectations of the tenderest pledges of conjugal happiness have been defeated, these Pills may be truly esteemed a blissful boon. They not only remove all functional disorders, and if taken according to directions, obviate all morbid action.

DR. GOODE'S CELEBRATED FEMALE PILLS—are for all the following diseases: Suppression, irregularity or retention of the menses, fluor albus, chlorosis or green sickness, costiveness, gravel, incontinence of urine, nervous affections, hysterics, prolapsus uteri, or falling of the womb, and piles; also, pains in the side, chest, limbs, head, stomach or back; dimness, or confusion of sight; alternate flushes of heat and chilliness; tremors; watchings; agitation; anxiety; bad dreams, and spasms. This being a safe and effectual remedy, and in the most valuable ever discovered as a purifier of the blood and fluids; it is superior to sarsaparilla, whether as a sudorific or alterative.

INTERESTING AND APPLICABLE TO THE AFFLICTED, WITH DISEASES OF THE STOMACH AND NERVES, such as Dyspepsia either Chronic or Acute, and the worst symptoms of Restlessness; Lowness of spirits and general enervation; Consumption, whether of the Lungs or Liver; Liver Affections; Jaundice, both Bilious and Spasmodic; Costiveness; Worms, of every variety; Rheumatism, whether Acute or Chronic, together with Gout, Scrofula, Pains in the Head, Back, Limbs, and Side; Typhus Fever, Scarlet Fever, Putrid Sore Throat, Fever and Ague, Spasmodic Palpitation of the Heart and Arteries, Nervous Irritability, Nervous Weakness, Hysterics, Tic Douloureux, Cramps, Female Obstructions, Heartburn, Headache, Cough, the Consumption of the Lungs, and the Dry or Whooping Cough, Asthma, Gravel, and Drops.

The Blood has hitherto been considered by Empiricks and others, as the great regulator of the human system, and such is the devotedness of the adherents to that erroneous doctrine, that they content themselves with the simple possession of this fallacious opinion, without enquiring into the primary sources from whence Life, Health and Vigor emanate, and vice versa, pain, sickness, disease and death. Not so with Dr. Hunt, whose extensive research and practical experience so eminently qualify him for the prosecution of which he has been one of the most useful members. He contends—and a moment's reflection will convince any reasoning mind of the correctness of his views—that the stomach, liver, and associated organs are the primary and great regulators of health, and that the blood in very many instances is dependent on these organs, and that unless medicine reaches THE ROOT OF THE DISEASE, the superficial and dryness usually prescribed, serve but as foils to cover the disease, and prevent its cure. Under these convictions, at the expense of years of close application, the doctor has discovered a medicine whose searching powers are irresistible, and in prescribing it, it is with knowledge of its being a radical cure in the various diseases already enumerated, even if applied in the most critical cases, but he does not pretend to ascribe to HUNT'S BOTANIC PILLS a supernatural agency, although from positive proofs within the knowledge of hundreds, he is prepared to show, that in every other earthly remedy he has been given up, HUNT'S BOTANIC PILLS have never been known to fail in effecting two very gratifying results, that of raising from the bed of sickness and disease those who have tested their efficacy, and thus amply rewarding Dr. Hunt for his long and anxious study to attain this perfection in the healing art.
